## ***Theme: Called and Sealed With a Promise***

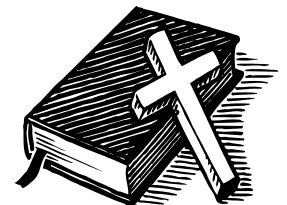

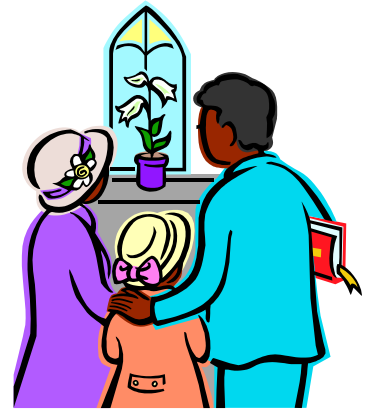

The theme for this quarter is designed to teach us how we are to live as members of God's community.

God didn't just call the Israelites to be a people for His own possession but He also provided instruction for living life the way He intended it to

be lived. The lessons in this quarter are centered around 3 themes; (1) the Call to come out of 'our' Egypt, (2) the call to be God's people, and (3) the call to choose life. God's call is deep and all encompassing. We have a decision to make. Which path will we take? We can hear, listen, and obey the callings of God or close our ears, ignore and disobey. Standing in the middle is not an option.

### ***Our Mission Statement:***

To provide Christian Education which will empower God's people to evangelize, disciple, and equip others for serving Christ, His Kingdom, and Church.
